About Jardine Lloyd Thompson

Jardine Lloyd Thompson Pty Ltd (JLT) provides market leading, comprehensive risk solutions to specialist clients worldwide, helping them to protect both their assets and their profitability. They are the largest listed British and European insurance broking group and by revenue the worlds fifth largest broker. JLT is a wholly owned subsidiary of Jardine Lloyd Thompson Group PLC. Positioned as the third largest insurance broker in Australia (again by revenue) and employing almost 850 people across all states, JLT is uniquely positioned to provide innovative solutions to satisfy the needs of corporate Australia.

In partnership with your Institute

JLT have a long history and commitment in providing insurance solutions to a range of industries via their national Schemes and Affinity Division. JLT in conjunction with AIAST have been developing comprehensive insurance solutions at competitive prices since 2005. By working closely with AIAST, JLT remain at the forefront of the industry ensuring they offer AIAST members informed, innovative and adaptable insurance related advice and services. JLT have extensive knowledge of Professional Indemnity insurance and associated risks.

More than Insurance - Value added Services

JLT take a holistic approach to risk management. Members can earn CPD points and receive a discount on their insurance premium by successfully completing the exclusive on line JLT Risk Management Module.

The module is freely available to existing JLT clients and provides invaluable risk management tools including letters of engagement, disclaimers of liability, subcontractor agreements and more.

In addition JLT regularly review existing third party contracts to ensure members are not taking on liabilities that can prejudice the cover afforded under the terms of their insurance arrangements.

Exclusive JLT Product

JLT in conjunction with QBE has produced an exclusive policy wording for Agricultural Consultants which is:

- Broader than 'off the shelf' wordings
- Flexible and adaptable to your specific risk profile
- Supported by QBE Australia, Australia's largest international insurer and reinsurance group

Under this exclusive JLT product, you would enjoy greater protection than under standard wordings. QBE has a long standing relationship with the AIAST and has been providing Insurance to clients for more than 120 years.

Claims

Claims have the potential to cause a great degree of disruption to the day to day running of any business. Claims Management is one of the hallmarks of the JLT service which enables members to get on with what they do best, servicing their clients.

Easy to Use

Obtaining a quotation is as easy as completing our short form proposal. Proposals can be completed manually or electronically and emailed directly to one of our servicing brokers. Quotations are provided to members within 5 working days.

Ask yourself, *"Am I getting the best advice and protection available for my business?"*
